1. **GENERAL**
   A. Refer to 26 56 00 – Exterior Lighting for requirements regarding exterior signage.
   B. For projects at the University of Georgia, Athens, Georgia campus, the University of Georgia Facilities Management Division Grounds Department Sign Shop will fabricate the interior environmental way finding signage for the project. The Owner will provide the signs and the Contractor shall install them. The quantity and location of signs shall be agreed upon during the construction document design phase and the installation costs shall be included in the Contractor’s Cost of the Work in the Guaranteed Maximum Price.
1. GENERAL
   A. Related Sections:
      i. 10 28 13 Toilet, Bath, and Laundry Accessories
      ii. Use ceiling hung toilet partitions where possible and/or structurally feasible.
   B. Use wall-mounted vanity panels at urinals.
   C. Coat hooks shall be mounted on permanent non-moving toilet partitions and shall not be mounted on the toilet compartment doors.

2. PRODUCTS
   A. UGA Athletic Association Only
      i. All toilet partitions at stadium main public restrooms shall be solid plastic HDPE (High Density Polyethylene).
1. **GENERAL**
   A. Provide corner guards in all public spaces, service areas and at specialty finishes.
   B. Protect outside corners of gypsum board partitions in public corridors to minimum 36” height as deemed appropriate by Project Manager.
   C. Prefer wall protection at chair rail height for public areas with moveable seating.

2. **PRODUCTS**
   A. Material as appropriate for specific conditions, coordinate with Project Manager.
1. **GENERAL – For UGA Campus at Athens Only**
   A. The UGA has sole source approval for soap dispensers, toilet tissue dispensers, and paper towel dispensers and will provide these products for the project. The basis specification products are provided by FMD Services at no additional cost to the project. If upgrade finishes are selected than the Design Professional must inform and coordinate the upgrades with the Project Manager as the Project Manager will need to order the upgrades products from FMD and there will be an associated cost that will have to be funded by the project. Some of the products are available in stainless steel material and some are available in plastic in a stainless steel color. The Contractor shall install the Owner provided toilet accessories listed above and shall include the installation costs as part of the Cost of the Work or Bid. The Contractor is responsible for coordinating in wall blocking.
      i. **UGA Athletic Association project only.** For projects within the UGAA lease with the BOR, the UGAA does not use the UGA standard toilet accessories listed in this section. Coordinate with the Project Manager for information on products specific to UGAA.
      ii. **UGA Housing project only (New construction)** does not use the UGA standard toilet accessories and its requirements are listed separately below.
   B. Sanitary napkin dispensers shall not be included in the project.

TOILET TISSUE DISPENSER – TWO ROLL
# WausauPaper®

## Towel & Tissue Products

### 80300 Silhouette® Revolution®

#### 3-Roll OptiCore® Tissue Dispenser

The Revolution® 3-roll tissue dispenser is designed for high-capacity controlled-use dispensing of OptiCore® tissue products. When one roll of tissue is used, simply turn the dial to advance to the next roll. The OptiCore® technology ensures the maximum use of each roll for the Revolution® dispenser to save maintenance time and costs. The Revolution® is ADA Title III compliant when installed according to ADA guidelines. This sleek, contemporary dispenser also features a locking cover to prevent product pilferage and waste.

**Features & Benefits**
- Accommodates DecoSoft®, Cash—Naturals®, and EcoSoft® Green Key™ bath tissue with OptiCore® technology to provide control of usage and cost savings.
- High-capacity dispensing
- Translucent cover allows service staff to see at-a-glance when it's time to refill.
- Custom imprinting available.

PAPER TOWEL DISPENSER

wausauPAPER®
Towel & Tissue Products

86500 Silhouette® OptiServ®

Hands-Free
The OptiServ® Hands-Free dispenser only requires you to touch your personal towel, thereby reducing the chance for cross-contamination from touching commonly used surfaces such as doorknobs or door handles, which is ideal for food preparation and healthcare environments. This high-capacity dispenser accommodates up to 1,000 foot rolls of 8¼ inch diameter towel, with a 4-inch stub roll to optimise dispenser capacity and save maintenance time. With each pull of the slightly exposed towel, the OptiServ® dispensers cut a pre-measured 11-1/2 inch towel for maximum usage control. ADA compliant when installed according to the Guidelines for Accessible Design.

Features & Benefits

Wide opening for easy insertion and removal of towels
Ideal for healthcare and food preparation environments where cleanliness is highly important
Unique stapled roll feature that allows the fresh roll to self-start only after the stub roll is completely used
Custom labeling available
